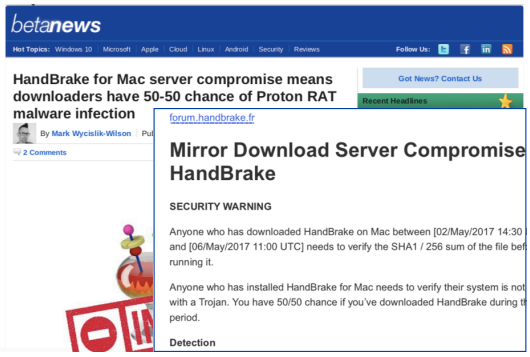
Security in the World

MOTIVATING JENNY

Participant Instructions

Session 1 (30 minutes)

10 min	Read the 'A 50-50 Chance' news item and the Handbrake 'Mirror Server Download Compromised' announcement.
15 min	Lay out the yellow cards on the table. Use them as a basis for discussing the incident.
5 min	Take notes on the cards, or elsewhere, 2 or 3 points that stood out in discussion.



Session 2 (30 minutes)

10 min	Read the 'The Case of the Stolen Source Code'.
15 min	Lay the values cards (white font) on the table. Use the green cards as a basis for discussing how the values relate to your work, your own values and the incident.
5 min	As before, note 2 or 3 points that stood out in discussion.

Discussion Session (30 minutes)

Discuss with all the groups the following questions:

- Is talking about security incidents in this way helpful?
- Does a consideration of stakeholders, impact and time come into our software development? How often, what prompts it?
- How about a consideration of values in the context of security? Does it come up? When?

- Can you think of recent examples from your own experience where similar kinds of talk have taken place?

As a conclusion, aim to get three action points for future activities.
