Security Between Us

MOTIVATING JENNY

Organiser Instructions

Setup in Advance

This workshop can be run with between 2 and 10 people. Split the group into pairs. It can be helpful to have pairs made up of people from different teams.

You will need:

- A large Lego baseplate and a selection of Lego bricks for each pair. Each pair needs around 150-200 bricks, some small Lego accessories, and people.
- A printout of the instruction sheet, *ParticipantInstructions.pdf*, for each pair.
- Post-it notes and coloured markers for each group, and other materials like string, or pipe cleaners.
- A timer.
- A whiteboard or flipchart stand.

Running the Workshop

- Set out the Lego bricks and other materials on the tables.
- Hand out an instruction sheet to each pair.
- Walk through the instructions with participants.
- Keep time. Provide time warnings 5 minutes and one minute before the end of each task.
- For task 4, lead a discussion between all the participants around the three questions, writing three or so key conclusions on the whiteboard/flipchart.
- Finally (task 5), ask how these conclusions might be taken forward.

After the Workshop

Would you like to help us develop these materials for you and others in future? Please email us at motivatingjenny@open.ac.uk with quick answers to the following questions:
