

Views On Connected Applications PDF

Cluster: **Cluster of clusters (9-14)** 1 of 5

Not overloaded or very concerned about interruptions; low level of confidence and trust in online services; less interested in investing effort in training; switching off from work not a problem

Showing data for 34 responses

I always take time to customise the applications and devices that I use

I regularly update and ensure I have the latest version of applications I use

I'm always looking to try new applications and services

I consider myself very tech-savvy

Computers are just tools rather than interesting in themselves

I use all of the features on my phone and connected applications

I am happy to put in effort to 'train' the online services in order to see better results
