

# Personal and Work Applications PDF

Cluster: **Cluster of clusters (9-14) 5 of 5**

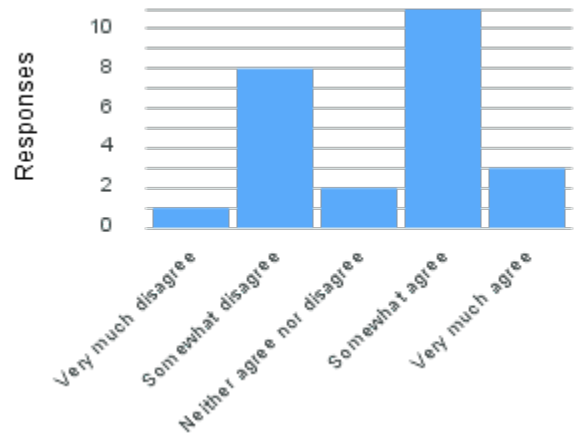

*Not overloaded, but is concerned about interruptions; low level of confidence and trust in online services; less interested in investing effort in training; privacy oriented; switching off from work not a problem*

Showing data for 25 responses

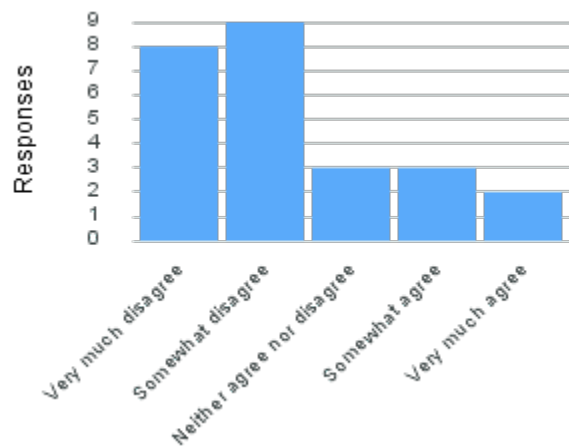

**I keep my work and personal applications entirely separate**

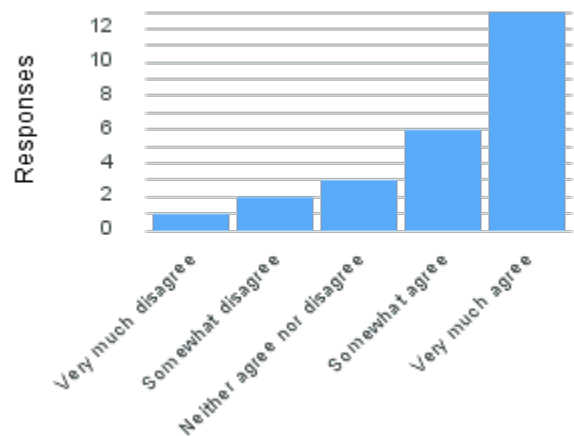

**I find it easy to switch off from work**

**I'm happy to receive some work-related notifications during personal time**

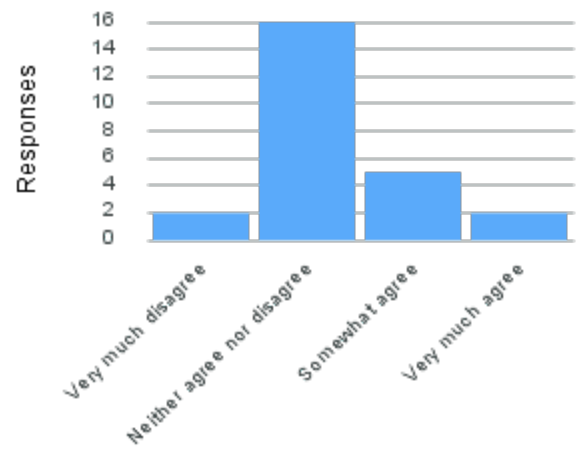

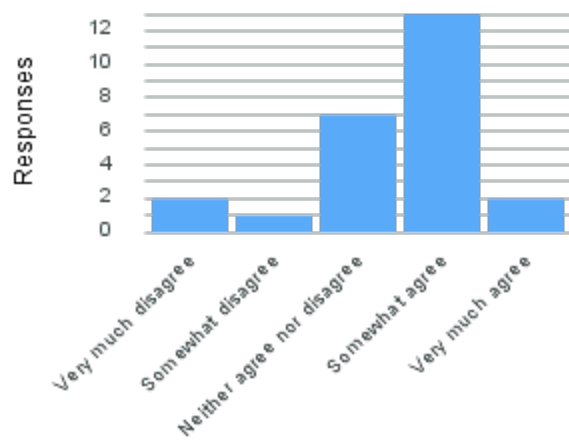

**I prefer to keep certain applications for personal things and not for work**

**I'm happy to see personal notifications while I'm at work**

**My employer is happy for me to receive personal notifications while I'm at work**

**I don't mind both work and personal information coming from the same device or application as long as it gets the timing and content right**
