

# Views On Connected Applications PDF

Cluster: **Cluster of clusters (9-14) 4 of 5**

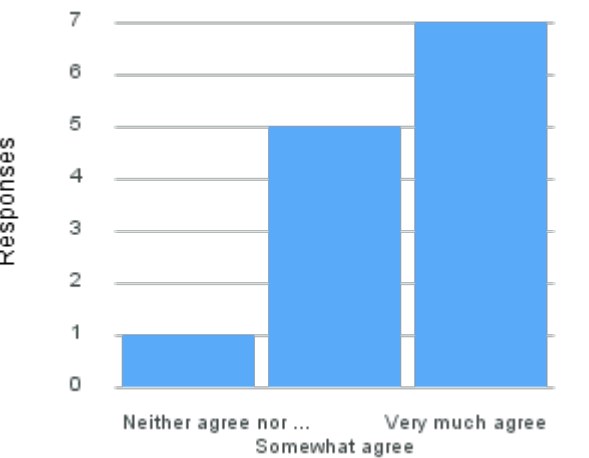

*Experiences overload or very concerned about interruptions; low level of confidence and in online services, but prepared to invest effort in training; slightly more trusting of services than other clusters; pragmatic; switching off from work not a problem*

**I always take time to customise the applications and devices that I use**

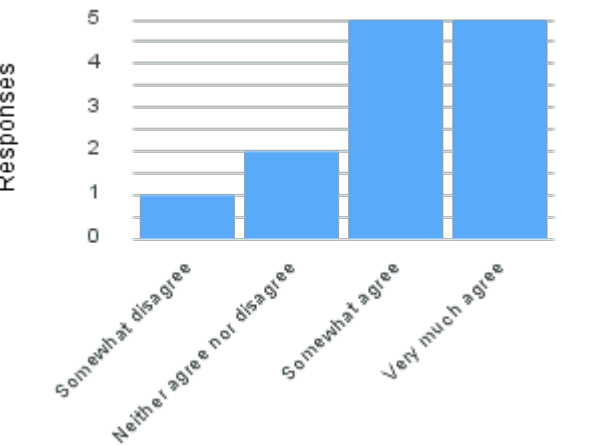

**I regularly update and ensure I have the latest version of applications I use**

**I'm always looking to try new applications and services**

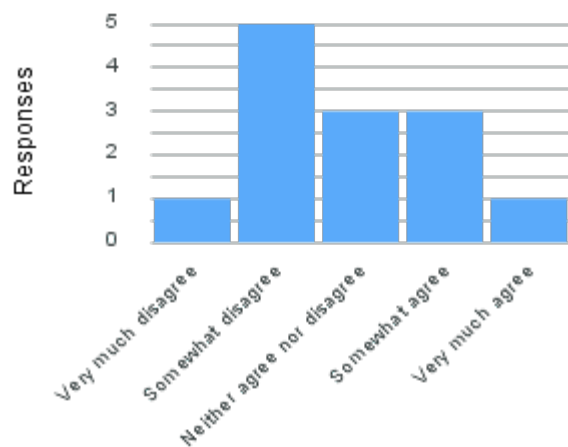

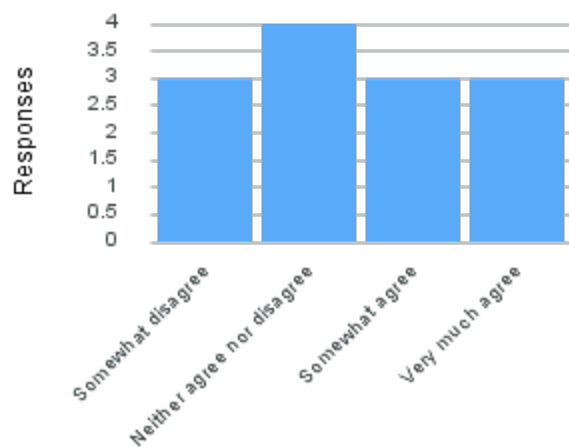

**I consider myself very tech-savvy**

**Computers are just tools rather than interesting in themselves**

**I use all of the features on my phone and connected applications**

**I am happy to put in effort to 'train' the online services in order to see better results**
